• Profile

Hi, I am Abdullah Hamid, I have three years of dedicated experience as a ReactJS and NodeJS developer, and I've honed my skills in building dynamic and efficient web applications. I bring a proven track record of successfully delivering high-quality solutions within collaborative team environments. Proficient in crafting responsive user interfaces with ReactJS and implementing scalable server-side solutions using NodeJS, I am adept at optimizing performance and ensuring seamless user experiences. My commitment to staying at the forefront of industry trends reflects my passion for continuous learning and innovation. As a results-driven developer, I am excited to contribute my expertise to elevate your company's web development initiatives.

• Work Experience
